<sup>1</sup> This price is awarded to vehicles that meet all the requirements in connection with the Green discount and are registered in one of the following countries: Denmark, Norway, Sweden, Finland, UK, Lithuania or the Netherlands.

<sup>2</sup> Vehicles which are not registered in one of the countries mentioned in 1) must pay a one-time fee of DKK 200 for the manual handling and validation of registration certificates.

<sup>3</sup> There is an exemption for vehicles (auto carriers) which are covered by the special rules for the length of vehicles set out in Ministry of Transport regulation no. 577 of 6 June 2011, see section 10(4). This exemption means that these vehicles continue to pay the same price as vehicles between 10–20 m.

<sup>4</sup> Abnormal loads on Storebælt are vehicles wider than 3.3 metres, vehicles in weight class 101–350 t and/or wider than 4.5 m, and slow moving transporters under 50 km/h. The price is a maximum price. See all prices and discounts at [storebaelt.dk](http://storebaelt.dk)

The green discount price is only given to commercial vehicles that meet at least Euronorm 6 as well as hydrogen and electric cars that use automatic payment. In addition, the customer must have a business agreement with A/S Storebælt.
